(https://onesearch.library.uwa.edu.au/discovery/search?vid=61UWA_INST:UWA&sortby=rank) (University of Western Australia, n.d.-a) and can be searched by keyword or Unit Code. For example you could search for "accounting", "ACCT2203", or "ACCT*" to retrieve relevant examination **papers** (University of Western Australia, n.d.-b).

Not all units will have **past exam papers** available. Only **papers** lodged with the Examinations Office by Unit Coordinators as available for publication can be accessed in OneSearch and some units do not publish their **past exam papers** at all.

Exam papers will be made available online once all supplementary and deferred examinations for that semester have been completed. Supplementary and deferred examinations take place approximately two months after the end of the standard examination period.
