

Assessment 1 In-Class Tests Information

ASSESSMENT

Weighting: 20% (10% each)

Opens: 5:00pm AWST 25/3/2026 and, 5:00pm AWST and 06/5/2026, 5 pm AWST

Due date: 7:00 pm AWST 25/3/2026 and, 06/5/2026, 7 pm.

Quiz/Test: These two are in-class Multiple Choice Tests of 1-hour duration. The duration is shown as 2 hours to account for any special considerations. The venues will be announced later.

This assessment will determine your attainment of the following **course learning outcomes**:

- The design of simple data structures and their use
- Complexity analysis of data structures and algorithms
- Design and analysis of algorithms

After you have read this information, go to the relevant discussion board to ask any questions and see what your peers are saying about this assessment.

Exceptional Variation to Assessment (EVA)

You may be eligible for Exceptional Variation to Assessment (EVA) (<https://uwa.au/eva>) if your study has been adversely affected by illness or other significant circumstances outside your control. Likely outcomes of applying for and being granted EVA can vary. You may be:

- granted an extension for an assignment
- permitted to withdraw from your unit without academic penalty
- offered a deferred examination
- permitted exemption or granted an alternate opportunity for an assessment item
